

# CITY OF SULLY

## TRASH COLLECTION GUIDELINES

Trash is collected each Friday. The fee for trash service is \$7.50 per month. This fee will apply even if trash service is not used.

Curbside trash collection is provided to all single-family, duplex and multi-family residential units as long as the dwelling does not receive trash service from a dumpster or other common collection container.

One 35-gallon container of trash weighing up to 65 pounds will be collected each week from each residence.

A tag must be purchased for each additional bag or container of trash in excess of 35 gallons per week. Tags may be purchased at the Sully City Office and the Sully Community Library for \$10 per pack of five tags.

A tag must be attached to each trash bag or placed on the top item inside each trash container so that the tag is visible. DO NOT attach the tag directly onto the trash container or lid. Excess trash without a tag will not be collected.

Place trash at the curb BEFORE 6:00 a.m. on Friday morning.

DO NOT place trash at the curb prior to 6:00 p.m. on Thursday evening.

All containers should be removed from the curb promptly following collection.

DO NOT place large items such as carpet, air conditioners, major appliances or items that do not fit into a trash bag or trash container at the curb for normal weekly collection. Contact Dodd's Trash Hauling at (641) 791-9195 to arrange for disposal of large items. There will be an additional fee for this service.

Yard waste is not considered trash and will not be collected as part of the weekly trash collection service.

Brush and Limb Program – Contact the Public Works Department at 594-3734 for pick up. Brush and limbs must be cut into 4-foot or 6-foot lengths and tied into bundles weighing less than 65 pounds and not larger than 4-feet high.
